## A CUP OF CULTURE, BERLIN

In 1994, I had a vision and founded "Barcomi's Café & Kaffeerösterei" in Kreuzberg. It's a special place, resembling those you would find in New York – a place to enjoy life with all your senses, offering real home-roasted coffee and handmade pastries.

Barcomi's is unique and still guided by this original idea. Maintaining high-quality standards, delicious pastries, and great coffee is a must for us.

We hope you enjoy your time at Barcomi's.

xx Cynthia
